Record Note: Modification M046 incorporated a revised Table B-1 that established FY 1998 estimated cost and total available fee pool, and (based on current information) updated estimates for Fiscal Years (FYs) 1999, 2000, and 2001. Table B-1 was revised in accordance with contract clauses B.4 and H.43. FDH noted that these clauses addressed changing current FY figures only, and RL agreed to restore the contract's original budget estimates for FYs 1999, 2000, and 2001. Accordingly modification M051 is issued to reinstate the original estimated costs for FY 1999, 2000, and 2001. Future modifications of this type will update current FY amounts only. For example, in FY 1999, the 1999 amounts will be revised, and the estimates for FY 2000 and 2001 will remain unchanged.
